**SMOVE PHOTO CABIN –
ID & FUN BOOTH –
photos for every occasion**

designed for public spaces such as
shopping malls, stations, and offices.

It offers biometric ID photos and
entertaining “fun mode” templates
within a single smart device.

Durable steel body and intuitive
operation ensure reliability and comfort.

EQUIPMENT included:

- CANON EOS R100 camera + 18-45mm lens + AC adapter
- CNC camera module – camera height adjustment
- 22” Touch monitor with tempered glass
- Dye-sublimation printer CITIZEN CY-02 with start consumables
- MiniPC with Intel i5; 240 GB SSD; 8 GB RAM
- LED modeling light – ceiling, front, bottom
- Illuminated back wall (important for shadow-free biometric photos)
- Audio system (voice prompts, background sound)
- Illuminated display case on side (for printed advertising)
- Curtain and seat
- 12-month software license operating in two modes: ID/biometric photos and “fun mode” with various templates

PARAMETERS:

- Dimensions and weight of equipped photo cabin – 150 x 75 x 210 cm (W x D x H) – 280 kg
- Adjustable modeling light intensity
- Adjustable camera height
- High-durability steel construction (1mm)
- Powder-coated shell
